BREAKING NEWS

Equipment Room Update:

As you recall, the pools were closed 4/25-4/30 for removal of the old mechanical equipment and installation of new and improved equipment that allows more flexibility in equipment use and automated control of the chemicals that keep the water clean and safe. The County Department of Environmental Health inspected and approved the new equipment and water quality.

Although most of you never see the equipment room, the upgrade was needed and will provide better and consistent water quality while optimizing equipment operation and allowing easier maintenance. Improved electrical service in the room makes it a safer and more organized environment. **Thank you for your patience.**

From The Desk of Sean Horan, Eichler Manager

Hello again everyone!

The warm weather is upon us, and Eichler is so lively once again. Be Social: come try Adult (Tennis) Match Day on May 12, or visit us during our All Club Social on May 18th. Bring your friends as guests, and share the experience. For those of you planning gatherings of your own, I encourage you to fill out our new party reservation form. There is no charge for small gatherings or partial use of the club room, we just like to know what's happening so we can staff properly for safety and customer service purposes, and communicate if conflicts arise. If you've read through the party information and have questions, please give us a call. Planned events with more than five guests should fill out a party form at least two weeks prior (forms are available at the club). We will do our best to help members keep the BBQs and surrounding areas clean after each use. Thank you for your help in making Eichler a fun, safe, and friendly environment to visit. Come play!

Gator News

Gator families,

Weather and water conditions are now ideal for Gator training! Thanks for your patience while we installed new pool filters & pumps -- we will now have fresh and clean water for our Gators for years to come.

Our coaching staff is running on full throttle with a total of 211 swimmers this year. A new record!

Some key dates to keep on your list for May -- we have the Fun meet on Friday May 18th, 5:30-6:30. We hope that families stay during the evening and BBQ with friends new and old. The following day, May 19th at 8:15, Eichler hosts the Stroke & Turn/Meet Operations clinic for all JSSL league teams for those of you whom signed up for the Data or Stroke & turn jobs.

Finally, a reminder, all meet jobs and social jobs are open on eichler.swimtopia.com. If you haven't signed up -- please do so!

I'd like to extend a very big THANK YOU to all the parents whom have come forward to help make the season fantastic. Your involvement makes swimming fun and keeps the Eichler community active and vibrant -- a valuable lesson for our kids. We couldn't do it without you!

-- Steve Haney and Tim Edmonds
